Adam Hasner is lifelong Republican deeply committed to limited government, free markets, American values and a strong national defense.

Adam was first elected in 2002 to serve as a part-time state legislator representing Palm Beach and Broward Counties. Serving alongside Marco Rubio in the Florida House for six years, in 2007, Adam was selected by then-Speaker Rubio to serve as Majority Leader for the Republican caucus, a position he held for four years until being term limited from office in 2010.

In 2009, Adam fought against the impacts of the federal stimulus and successfully rejected nearly \$500 million in unemployment funds that would have resulted in a tax increase for Florida businesses.

In 2010, well before the issue became part of national headlines, Adam led the House Republicans in demanding the United States Congress pass a balanced budget amendment to the U.S. Constitution, and then served as the founding national Co-Chairman of the citizen action group, Pass The Balanced Budget Amendment.
